

HEALTHeNL Application Changes

What's Changing and What's Staying the Same — Physician Reference

eOrder — Vascular Lab

Post go-live: eOrder remains in HEALTHeNL but appointment booking moves to the Vascular Lab. Referrals to the Vascular Lab are also available in CorCare (EpicCare Link).

Category	✓ Staying the Same	📄 What's Changing
Access Point	Accessible through the HEALTHeNL portal — eOrder remains in HEALTHeNL post go-live Vascular Lab referrals also available in CorCare (EpicCare Link)	Physicians can no longer book patient appointments through eOrder — appointment booking now handled by the Vascular Lab New referrals to the Vascular Lab can be submitted via CorCare as well as HEALTHeNL
Referral Workflow	Referral concept and clinical purpose unchanged Vascular Lab continues to be a supported specialty	Questions and fields in the CorCare referral form will differ from the current HEALTHeNL form Workflow rebuilt in CorCare — physicians submit, Vascular Lab books appointments
Data & History	No historical data migration required Historical referral data will remain in HEALTHeNL	Incomplete orders at go-live will be manually entered in CorCare by the Vascular Lab No conversions from HEALTHeNL for this application
Decisions	eOrder remains in HEALTHeNL; appointment booking moves to the Vascular Lab; referrals available in both platforms	Deprecation of the current Vascular Lab HEALTHeNL workflow confirmed for go-live
