_____ _____

Signature Date

Please email your complete application package by December 6, 2026, to:
scholarships@nlhealthservices.ca

Please Note: All documentation must be included in the package upon receipt (documents sent separately ***will not*** be accepted). Incomplete packages will be disqualified.

There are a number of scholarships available to staff, which include:

- 18 - $1,000 scholarships funded by NL Health Services
- Scholarships from various sponsors such as foundations, hospital auxiliaries and clubs.
- There is one application form and one scholarship review team for all scholarships. They are awarded annually to employees of NL Health Services who are pursuing full or part-time education at a recognized post-secondary institution.

NL Health Services

Scholarship OPPORTUNITIES

Staff

1. CRITERIA

a. Applicants must have completed a minimum of two years of full-time worked service or equivalent hours to be eligible for a scholarship.

b. Applicants must be currently enrolled in a post-secondary program and have completed at least one year of post-secondary education before applying for the scholarship. The scholarships will be awarded based on:

   i. Letter to the scholarship review team
   ii. Depth of resume
   iii. Academic performance
   iv. Initiative and contribution within NL Health Services or in the community
   v. Quality of letters of reference

c. Applicants must indicate in their letter of application how their program of study will benefit the clinical or administrative services of NL Health Services.

d. Previous recipients of an Eastern Health scholarship may be eligible to receive a NL Health Services scholarship, however, preference will be given to applicants who have not previously received a scholarship from the legacy organization.

e. **Any employee accessing other tuition support from NL Health Services will not be eligible for a scholarship in the same year.**

f. Selection criteria may vary if the scholarship is provided by a sponsor such as a foundation, hospital auxiliary or a club.

2. APPLICATION PROCESS

a. Applications for these scholarships must be submitted on the **2026 NL Health Services Scholarship Staff Application Form.**

b. The application package must include:

   i. Completed application form
   ii. A complete resume
   iii. Two SIGNED letters of reference, one of which must be work related (please indicate in subject line if it is a work, school/program or personal related reference)
   iv. Most recent transcript(s)
   v. **Confirmation of enrollment** into the program **for the current year**
   vi. A SIGNED letter to the scholarship review team outlining the employee's career plan and how the program of study will benefit the clinical, administrative or support services of NL Health Services

c. Applications and ALL accompanied documents can be emailed on or before **December 6, 2026.**
Late or incomplete submissions will not be considered.

d. The decisions of the scholarship review team will be final and their discussions will be kept confidential. Scholarship will be awarded in **December 2026.**

e. If the recipient of a scholarship is unable to complete the program of studies for which the scholarship was granted, the scholarship review team reserves the right to rescind the award and require repayment of the scholarship monies.
