

Patient Experience in CorCare

Here's what you need to know about CorCare—the new, modern digital health system transforming care across Newfoundland and Labrador.

CorCare is a province-wide health information system replacing outdated digital tools. It enables fast, secure collection and sharing of electronic medical records—helping clinicians spend less time searching and more time caring.

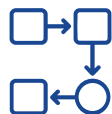

One unified system

That will be used for storing, managing, and transmitting clinical information.

Built with expertise

700+ subject matter experts, including 180+ physicians, contributed to its design.

Better workflow

Updated digital tools and enriched MyHealthNL features support stronger collaboration between clinicians, staff, and patients.

Health Care is Evolving

- From a patient perspective, CorCare is about **clarity, access, and confidence** in your care journey. Through MyHealthNL, powered by MyChart, you will have easier access to your personal health information — in one spot, through a secure digital platform. Visit onespotnl.ca for more information.
- If you use myhealthnl.ca, the website will stay the same. If you use MyHealthNL on your phone, you will need to download the new MyChart app and select MyHealthNL. This is available beginning April 25, 2026.

Empowering patients

More NL Health Services information and options at your fingertips:

- Manage** your NL Health Services appointments;
- Check in** for appointments online or in-person;
- Learn** more about your upcoming tests and procedures;
- View** test results without delay;
- Connect** through the app with your care team while in hospital; and
- Check** your symptoms and find the right level of care for you.

Please allow some time for your health-care provider to review the results and to determine the necessary next steps for your care. If you have questions or concerns, book an appointment with your provider.

Clinical notes may include medical terms. You can use our MyHealthNL Health Library as a trusted source for health education information.
